**Course:**

With a TEFL course, you are one step closer to finding paid work abroad.

If you can speak English, then we'll train you how to teach it. We also have a FREE job placement service for all our graduates. So, we'll not only give you advice on finding work but can put you in touch with recruiters who have jobs in China, Japan, South Korea, Spain & the Czech Republic.

We'll send you details of your course in the week following Christmas.

If you need to change the date or location of your course then let us know by 31 December.
